

Dear Charitable Foundation Sponsor,

With the help of your generous donation, we were able to award four \$1,500 scholarships to students in our district in 2018! These students are currently studying in the careers of Aviation Maintenance, Auto & Diesel Maintenance, Healthcare and Agriculture & Food Science! It is so exciting and rewarding to see these students in our community further their education! *This scholarship is created to benefit a student pursuing a certificate, license, or two-year degree from an accredited school.*

The Belvidere School District 100 Charitable Foundation Board wants to extend our sincerest gratitude for supporting our children and our foundation. Without sponsors such as yourself and the participants attending and enjoying our annual Trivia Night Fundraiser, we would not be able to continue to extend these scholarships to these worthy students.

As we continue to work, please know that our partnerships with our sponsors are vital to the success of this foundation. We hope that you will once again consider contributing to our students of the Belvidere community! You are truly appreciated!

Sincerely,

Matt Branom
