March 24, 2017

Congratulations to the Class of 2017 and their Families,

Our hope is for all graduating seniors to have an enjoyable and rewarding finish to their tenure as students in the Belvidere Community Unit School District #100. I ask you to carefully review the following information to ensure a smooth finish to the year.

Graduation will be at Rock Valley College in the Physical Education Center on Saturday, May 13th at 2:00 p.m. All graduates are expected to be at Rock Valley College no later than 1:00 p.m. to begin the line-up procedure. It is important for guests to arrive at the graduation ceremony before 2:00 p.m. Once the ceremony begins, the doors will be closed and nobody will be admitted. In addition to the seating in the Physical Education Center, we will also have overflow seating available for guests who do not have tickets. The Woodward Technology Center will be available for guests to view the graduation on four projection televisions. It is located next to the Physical Education Center.

Each graduate will be given six tickets for family and friends to attend the graduation ceremony. These tickets will be given to students on Tuesday, May 9th; the last day for seniors. Students who do not need all of their allotted tickets are welcome to award them to members of the Class of 2017 who are in need of additional tickets. If additional tickets do become available, the tickets will be released on Thursday, May 11th on a first come first served basis. Information as to availability of additional tickets will be published on our website and an all call will be made to all graduating seniors by noon on Wednesday, May 10th.

A mandatory Graduation Rehearsal will be held in the Belvidere North High School gymnasium at 9:30 a.m. on Friday, May 12th. It is important that all students participating in the graduation ceremony attend the rehearsal. After we finish the rehearsal, graduates are invited to attend the annual senior picnic which will be held in Milt Brown Stadium.

Any senior who chooses not to participate in Commencement should notify Norma Garcia at 815-547-3568 or stop in the main office as soon as possible. Students who meet all graduation requirements and do not participate in the graduation ceremony will be included in the graduation program.

Students must meet all academic graduation requirements to participate in Commencement. No exceptions! Only students who have met all graduation requirements or are on track for graduation by Friday, May 5th at 8:00 a.m. will have their names included in the graduation program. In addition, seniors who engage in behavior which results in suspension may forfeit their participation in Commencement.

We look forward to celebrating this wonderful accomplishment with all of you. On behalf of our entire faculty I would like to compliment the Class of 2017 for their leadership and positive conduct throughout their years at Belvidere North High School. If you have questions or I can provide more information, please do not hesitate to contact me at 815-547-3649 or by email at meckmann@district100.com.

Sincerely,
Marc Eckmann
Principal

IMPORTANT VACCINATION NEWS

Illinois State Law requires vaccination of Meningococcal Conjugate Vaccine (MCV4) to all students entering 12th grade. If you have not done so contact your doctor's office or health department for review and an updated shot record to provide proof of this requirement for your school health record. Meeting this requirement as soon as possible prevents unnecessary strain on busy schedules during summertime and at the beginning of the 17-18 school year.

If you have questions, please do not hesitate to contact our school nurse, Phyllis Dake at 815-547-3514 or through email at pdake@district100.com.

AFS is once again looking for host families for the coming year. If you are interested in learning about the culture of another country, this is a wonderful opportunity for your family. AFS also offers opportunities to study abroad, including some programs that offer scholarships. Applicant host families need to have a bed for the student, study space and room for clothing storage, and be ready to include the exchange student in family and school activities.

Check it out at www.afsusa.org and contact Glenda Mundis at 815-547-9684 or at gmundis@district100.com) if you have any questions.

The show is on display at the museum until Sunday, April 2nd. Freshmen **Abbey Brynolf** has a pencil drawing of a horse and Junior **Emma Carlson** has two pieces in the show, a watercolor of trees and a pastel drawing of fruit.

The Rock Valley College Student Art Show features 20 students from Belvidere North and is on display in the ERC building now until Wednesday, April 5th.

Life Skills

Quansa Kennels has been visiting Mrs. Adams' Life Skills class. The students are learning what it means to have a well-mannered dog. By working with the service dogs, the students are learning that a good leader must be consistent, confident, and communicate expectations clearly. The skills the students are learning are not just limited to dog training. These are leadership skills that need to be used by everyone, on a daily basis, in order to successfully achieve one's personal goals. Our class is very grateful that Quansa Kennels has taken the time to work with us.

Chromebook Reminder:

Please be reminded that **ALL** freshmen should have the school issued case on their chromebook. The case is designed to protect the chromebook while it is being used within a class or carried between classes. Students who need help putting the case on the chromebook can come to the library for assistance. Freshmen students will use their issued chromebook for four years so taking care of it is extremely important. There has also been an increase in lost or damaged charging cords. Please remind students to use care when charging their chromebook and to keep the cord in a safe place when not in use.

Any chromebook maintenance issues can be turned into Mrs. Bankord in the BNHS Library.

Belvidere North Blue Thunder Preschool

BNHS Preschool will open registration in May. Preschool will begin October 2017 and run for nine weeks.
