

SAT Prep Sessions

Get ready for the SAT with our six-week prep series

Find out what kinds of questions you'll see on the new SAT and what they measure.

Learn how to interpret your PSAT score and use it to develop your own study plan.

Supportive, focused environment.

Individualized, and tailored to support the strengths and needs of each student.

Students will walk away with a foundation of resources and strategies that they can continue to use on their own once the sessions are over.
