

Main Street Players of Boone County are proud to present MSP KIDS.

This supplement was introduced in 2016 with the intent to provide an additional Kids show to be performed on a smaller scale during the summer months. The program is focused towards children ages 8-18 who may be a little scared or unsure about performing "on the big stage" with a large audience or in our larger musical production that we typically put on for our Fall show. The program is also directed towards kids who simply want to do something fun and exciting in the summer months. MSP Kids was originated and is directed by Ronn Gordon Jr, a longtime member and VP of Main Street Players of Boone County. Along his side is Stage Manager, Carlee Bottenfield. "We want the children to be comfortable performing and most importantly, have fun while learning the art of acting and putting on a production". Our goal is to inspire, encourage, teach, and build a love for theater. We don't charge a "production fee" as we feel money should not be an issue when getting your child involved in theater. This is a not for profit community theater. We want the community to be involved and have fun! So come out and "play" with us!!!

Our next production will be in July 2018 featuring "A Mother Goose Comedy" with auditions being held on **May 5<sup>th</sup>, 2018 from 3-5pm** at the Community Building Complex of Boone County - 111 W 1st St, Belvidere, Illinois. Our low stress auditions will consist of cold reading. Show date and location TBD, but will be held July 4<sup>th</sup> weekend. This will most likely be a one day show.
