

# Career Cruising

**CREATE SUCCESSFUL FUTURES** “Helping students build a future plan connecting school to real life positively impacts their academic achievement, classroom engagement, and career and life success. Motivated students contribute to higher-performing schools and stronger communities.”

## Connect the Dots Between Academics and Life

“Career Cruising connects the real world to the classroom with the latest career and labor market information, salaries, and educational pathways – all written in a way that’s easy to understand. Students also learn essential 21st-century skills like financial literacy and goal-setting through video interviews, role-playing activities, and more.”

Students and parents in District 100 are encouraged to access Career Cruising at home to discover information about learning styles, careers, post-secondary education, and more.
